Sir,

Ref: your letter No. (B3) M1-87-311/57, dated 21-5-58 on the above mentioned subject.

2. I am directed to state that Govt observes in this case that due to the absence of proper entries in the Rev Records about the forest lands, these forest lands in S.No. 21 of Arehalli and S.No. 202 and 53 of Yedehalli have been disposed of by the Revenue authorities for cultivation

without consulting the Forest Deptt. ~~as~~ More over the Forest Deptt also did not notice this lapse earlier as the lands are ~~being granted~~ granted cultivated ever since 1929-30 onwards. I am to request ~~to request~~ you to give proper directions to your subordinates to see that ~~proper~~ necessary entries are made in the Rev Records about the forest lands in order to stop such ~~ryotwari~~ grants in future.

3) You are further requested to submit your proposal reg Reforestment of the area and also draft notification reg the same as called for under Govt letter of even number dated 20-12-57.

BRIEF ABSTRACT OF LETTER

Recommending sanction to the disafforestation of 440 acres 16 1/4 guntas of land in S.Nos 202 and 55 of Yedehalli, S.No 21 of Arehalli, S.No 26 of Hituhalli, 17 and 28 of Jangamgurjenahalli

NOTES AND ORDERS.

1) It is reported by the D.C. Kolar district that an extent of 440 acres 16 1/4 guntas of land in S.Nos 202 and 55 of Yedehalli minor forest, S.No 21 of Arehalli, S.No 26 of Hituhalli and 17 and 58 of Jangamgurjenahalli, Kolar Taluk has already been disposed of for cultivation under darkhast rules and that there have been encroachments on certain lands

2) The chief conservator of forests (x) who was consulted in the matter has stated that the entire area of the minor forest is a little over 881 acres, out of which an extent

of 440 acres has already given away for cultivation without the knowledge of the Forest Department. Further it is also stated that the only course now open is either to evict all the grantees or to release the entire extent of 883 acres 20 guntas for cultivation.

3) As the grantees are in possession of the lands for about 12 years and that they will be put to great hardships, if they are evicted, the D.C. Kolar again requests sanction to the disafforestation 440 acres 16¼ guntas of land. The R.C requests sanction to D.C's proposal in the matter. The A & F. Branch may also be consulted in the matter.

1) The entire area of the Minor Forest is a little over 881 acres out of which 440 acres have already been given away for cultivation without the knowledge of the Forest Dept, as long back as 12 years. Hence it is not desirable to evict the grantees, as opined by the D.C and R.C.

2) In the circumstances, the proposal of the R.C. for disafforesting 440 acres 16¼ guntas may perhaps be approved.

3) The Revenue Branch will also be requested to ~~avoid~~ issue suitable instructions to Revenue authorities to avoid such grants of Forest areas without prior consultation of the Forest Department.

4) The proposal is for approval.

Ref:-Your D.O. letter No.(B3)M1-311/44 dated 29-8-57.

With reference to the above I write to state that the Range Forest Officer, Kolar has in his report No.405 dated 1-9-57 reported that out of 851 acres of the total area more than 450 acres has been granted by the Revenue Department for cultivation. As soon as the encroachment was noticed correspondence was taken up for its eviction since last 5 years and further the department could not take any action than this for eviction.

Further, I write to state that this Minfor Forest has lost all its character of a Forest and moreover the remaining area which is not under cultivation is not fit for any afforestation works as it is surrounded by cultivations and the grazing land available in the zone is low and the cattle of the surrounding villages resort to this place for grazing and as such the entire forest may be disafforested.

A rough sketch showing the area of forest and encroached area is herewith submitted for favour of kind perusal.

Sub:- Disafforestation of S.No.202 and 55 of Yedehalli village Kolar taluk.

Sir,

I am directed to refer to letter No.C1.PR.133.C6767/54-55 dated 29.10.1955 (copy enclosed) of the erstwhile Revenue Commissioner Bangalore on the subject and to state that it is seen that an extent of 440 acres 16¼ guntas land out of S.No.202 and 55 of Yedehalli village Minor Forest Kolar Taluk hasbeen disposed of for cultivation without consulting the Forest Department which is highly objectionable. As the grant of such a large extent of Forest lands cannot be said to be due to inadvertance or mistake, the conduct of the officials concerned requires to be suitably noticed.

I am therefore to request you kindly to report the names of the officers responsible for the irregular procedure adopted in disposing of thess lands without consulting the Forest Department.

I am also to request that a statement showing the list of grantees and the year of grant may also be forwarded for the information of Government.

In continuation of my letter of even number dated 25-2-1955 and with reference to your letter No.C1.6767/54 dated the 29th June 1955 on the subject, I retransmit herewith the records received with your reference quoted and state that the entire area of the Minor Forest is a little over 881 acres out of which 440 acres have already been given away for cultivation without the knowledge of the Forest Department. If the grant should stand, there is little use in retraining the balance area as a Minor Forest. The idea of forming these Minor Forests with a view to eventually converting them into State Forests. It is very desirable that portions of such forests should not be given away for cultivation. However, since this has been done, years ago, the only course now possible is either to evict the grantees or to disreserve the entire block as the Forest Department is not interested in keeping such small blocks. I request you kindly to take such action as you deem fit and kindly intimate in due course the result for my record.

A copy of letter No.M1.87-311/44 dated 22-9-1955 from the Chief Conservator of Forests to Revenue Commissioner and letter No.Cl.P.R.133-C.6767/54-55 dated 29-10-56 from the Revenue Commissioner to Government is enclosed. 440 acres and 16¼ guntas of Forest land has been granted by R.D. without consulting Forest Department, which is highly objectionable. As grant of such large areas cannot be due to inadvertence or mistake, the conduct of Revenue officials responsible for these grants requiring enquiry and taking of disciplinary action. The Minister for Agriculture desires that this should be brought to the notice of the Minister for Revenue.

In continuation of my letter of even number dated 25-2-1955 and with reference to your letter No. Cl.6767/54 dated the 29th June 1955 on the subject, I retransmit herewith the records received with your reference quoted and state that the - - - entire area of the Minor Forest is a little over 881 acres out of which 440 acres have already been given away for cultivation without the knowledge of the -- Forest Department. SECRETARY TO GOVT. 31 OCT 1955 REVENUE DEPARTMENT

Sir,

Subject:- Disafforestation of survey Nos. 202 and 55 of Yedehalli village of Kolar Taluk -

I write to forward herewith the copy of the letter No. M2.C.1891/54-55 dated 3rd June 1955 from the Deputy Commissioner, Kolar District, and a copy of the letter No. M1.87-311/44 dated 22-9-1955 from the Chief Conservator of Forests in Mysore, together with the connected records and to state that the -- lands to the extent of 440 acres 16 ¼ guntas as - - noted in the Deputy Commissioner's letter have been disposed of under Darkhast Rules and that there have been also encroachments on certain lands. Since the grants in question out of Forest Area were made - - without consulting the Forest Authorities they took objection and requested the eviction of the grantees.

The Chief Conservator of Forests who was - - consulted in the matter has opined that the only -- course now open is either to evict all the grantees or to release the entire extent of 883 acres 20 - - guntas for cultivation (*Vide* his letter - copy - - enclosed).

It may be seen from the letter of the Deputy Commissioner and the records that the grants have been made long back and that it would be a great -- hardship if the grantees are to be evicted now.

In the circumstances I am of opinion that it

p.t.o.

it would not be feasible to evict the grantees who have been in possession of the lands for about 12 years and I request that orders of Government on the proposal of the Deputy Commissioner, may be -- kindly obtained and communicated.

Yours faithfully,

Re: Disafforestation of S.Nos 202 and 55 of Yadahalli village, Kolar Taluk.

--

I write to state that the District Forest Officer Kolar in his letter No. 1244 dated 10-1-1955 has intimated that he has inspected the Yadahalli minor Forest on the petition presented by Sri. Patel Nanjegowda and others of Arehalli for disafforestating S.No. 21 of Arehalli village for cultivation purposes.

Yadahalli minor forest was constituted as per G.O No. G. 1213/F.T 33-30-124 dated 16-6-31 and its schedule is as noted in the margin*

* Taluk.	Hobli.	Village	S.No. & Class	A G. Area.
Kolar.	Sugatur	Yadahalli	55 (gomal)	168- 4
"	"		202 "	128-16
"	"	Huhalli	25 "	28- 2
"	Kasaba	Arehalli	21 (gomal part)	178- 0
"	"	Janganigurjenahalli	58	176-38
			17 "	204- 0
			Total	883-20

The District Forest Officer intimates in his letter No. referred to above that an extent of 126 acres and 16 guntas out S.No. 2002 and an extent of 100 acres and 31 guntas in S.No. 55 of Yadahalli village etc has been cultivated in the minor Forest area and no action has been taken by the Revenue Department for cancellation of grants. He further states that the spot enquiry reveals that some of these areas have been disposed of by the Revenue Department either by darkhast rules or under shraya rules and saguvali chits have been issued by the Amildar without consulting the forest department.

The District Forest Officet has requested to place the entire area at the disposal of the Forest Department for taking up afforestation work as round about Kolar there are not much forest areas and there is scarcity of fuel etc.,

676

P.T.O.

The Amildar, Kolar taluk addressed the District Forest Officer, Kolar in his letter No. DR 80/54-55 dated 3-3-1955 by stating that S.Nos 202 and 55 of Yadahalli, S.No. 26 of Huhalli, S.No. 21 of Arahalli and S.Nos 58 and 17 of Jangamgurjenahalli which have been constitured into yadahalli minor forest are classified as gomal lands and not as forest land as per index of lands register and these lands have been disposed of in darkhast rules without consulting the forest department. The extent noted in the margin* have been granted since 1943 and there is no forest demarcation line to indicate the forest area.

*

1) Yadahalli .. 118- 36¼ (out of S.Nos 202 and 55)
2) Arahalli 25- 7 (S.No. 21)
3) Huhalli 132-24 (S.No. 26)
4) Jangamgurjenhalli 163-29 (S.No. 17 and 58).

The Amildar Kolar has further stated that it would be rather very difficult to disposes the grantees at this distance of time as they have been granted lands under permanent occupancy rights and it may be considered to disafforest the lands that are already under cultivation and surrendered to the Revenue Department.

The Amildar Kolar taluk has submitted a copy of the letter addressed to the District Forest Officer, Kolar and states that some extents in S.No. 55 of Yadahalli village has been disposed of under Grow More Food rules and some of the Adikarnatakas of Moorahadahalli have encroached the lands in S.No. 202 Yadahalli village and action is being taken on takrar takta and further requests to disafforest the S.No. 21 of Arehalli village, for granting the area to the landless adikarnatakas etc.,

The District Forest Officer who was requested to furnish his opinion for disafforesting S.Nos 202 and 55 at Yadahalli minor forest has invited reference to his letter dated 10-1-1955 referred to above.

He further requests to intimate the action taken to evict the parties to enable him to take up afforestation work and he cannot furnish any opinion at this stage as the Chief Conservator of Fore ts has taken up this question along with the Revenue -

Revenue Commissioner Bangalore and he is not in favour of disafforesting the area under cultivation etc.,.

The Sub-Division Officer, Kolar has stated in his report No. R2C 731/54-55 dated 28-2-1955 that many darkhast - applications have been received praying for grant of land out of S.No. 21 of Arehalli village (included in Yadahalli minor forest) and has recommended to disafforest the area for being granted to landless and insufficient holders in the - village.

In the circumstances reported by the local officers, I recommend that the lands noted below* may kindly be ordered to be disafforested from Yadahalli minor forest area as the lands have been granted long back, improved at much cost and are in the ~~enoyment~~ enjoyment of grantees.

The entire records accompany.

Sir,

With reference to the above, requesting to furnish my opinion for disafforesting S.No.202 and 55 of Yadahalli minor forests, I write to invite your kind reference to this office No.1244 dated 10-1-55 wherein I have furnished my opinion.

In view of the facts brought to your kind notice in my letter referred to above, I request you kindly to intimate the action taken for eviction of the parties to enable me to take up afforestation works in Yedahalli Minor Forests as early as possible. Further I write to state the Chief Conservator of Forests to whom a copy of the letter No.1244 dated 10-1-55 addressed to you was submitted has taken up this question with the Revenue Commissioner to the Government of Mysore, Bangalore and at this stage I cannot furnish any further opinion in the matter.

Regarding the reasons enumerated by the Amildar for perpetuating the mistakes once committed and for disafforesting etc the minor forest, I regret I totally disagree with him as the arguments put forth by him in his No.80/54-55 dated 3-3-55 are not reasonable and therefore unacceptable.

The entire records received from you are enclosed herewith.

referred to during the period referred to. I also invite your kind reference to this office No.87 dated 22-4-1953 forwarding a copy of my letter addressed to the Chief Conservator of Forests in Mysore, Bangalore - copy enclosed. When I inspected the area on 1-1-55 I was surprised to find that except in S.No.21 of Arehalli in the remaining survey numbers viz. Yedihalli, Jangamguttahalli and Hoohalli included in the Minor Forest as per Government Orders ~~xxxxxxx xx~~ quoted above the Forest land is under cultivation in almost all parts of the survey numbers. Spot enquiry reveals that some of ~~xxx~~ these areas have been disposed off by the Revenue department either by darkhast partly on sharaya rules and portion of it is under authorised cultivation also. How saguvali chits for cultivation in a Minor Forest was issued by the Amildar without consulting this department and in violence to the Government order ~~xx xxx xxxxx~~ constituting these survey numbers into Minor Forest is not Except in about 6 acres where attempts to raise casuarina have been made the rest of the areas are under cultivation. A statement showing the details of areas under cultivation as per the information I could collect is enclosed herewith for your kind information and request you kindly to cause the saguvali chits cancelled and the unauthorised cultivators evicted from the areas.

Perambulation reveals that the area is well suited for afforestation works and this work has been delayed since the cancellation and eviction of the parties from the area has not been effected.

You are aware that round about Kolar there are not much forest areas and there is scarcity for fuel and the very object of constitution of this Minor Forest was for purposes of raising fuel plantation near about Kolar. This object is frustrated by grant of lands for cultivation in these survey numbers. I therefore request you kindly to cause for issue of very early orders for evicting the parties from the area at an early date to enable me to take up afforestation work at least during 1955-56. Unless the entire area of 881 acres is placed at the disposal of the department it is not worth while to take up any work in the area. I should be thankful to know the action taken by you in the matter to enable me to chalk out programme of afforestation work in the area for the year 1955-56 and

Respected Sir,

We, the undersigned, ryots of the above village beg to bring the following few lines to your kind consideration and favourable orders.

That we have been representing since about ten years for the disafforestation of S.No.21 of Arehalli village from the Yedahalli Minor Forest with a view to grant lands to landless persons of Yedahalli. Our representations were favourably recommended by the previous Deputy Commissioners, Messrs. G.Sundara Rao, K.Guru Dutt and T.Rangamalliah. But we regret to state that after so much of efforts on our part we have received an endorsement No.M1.87.311/44 dated the 29th August 1951 from the Chief Conservator of Forests in Mysore, Bangalore, stating that the S.No. cannot be separated from the Forest as the soil of the said forest is a fertile one and that it is very well suited for the development of forests.

We might state in this connection that in and round about Jangama Gurjenahalli and Yedahalli villages lands which originally existed in the Yedahalli Minor Forest have been given away for cultivation by the ryots. The area might be about 100 or more acres. As such, there is no harm in separating the S.No.21 of Arehalli village from the Forest area and thus enable the landless persons to get some lands and cultivate and thus eke out their livelihood.

Therefore, considering all aspects of the matter, we request you to kindly order for the disafforestation of S.No. 21 of Arehalli village which has an acerage of more than 150 acres and thus enable the landless persons to get some lands and eke out their livelihood.

Thanking you and for this act of kindness, we shall ever remain grateful to you.

We beg to remain,
Respected Sir,
Your most obedient servants,

21st December 1951.

Subject :— Re: Grant of lands in S.Nos 202 and 55 of Yadahalli minor Forest area.

Sir,

With reference to your letter No: 1244 dated 10.1.55 addressed to the Deputy Commissioner Kolar District, Kolar on the above subject, I write to state that it is seen from the Index of Lands Register of this office that S.Nos 202 and 55 of Yadahalli, S.No: 26 of Hulahalli, S.No: 21 of Arahalli and S.Nos 58 and 17 of Tangamgargenahalli Villages ~~which~~ have been constituted into Yadahalli minor Forest are classified as Gomal lands and not as Forest lands. It is further seen that some of the lands in the Forest area have been granted prior to the constitution of the minor Forest. I am at a loss to know as to how these occupied areas were included in the Forest area. As these S.Nos have been classified as Gomal lands, the lands have been disposed of in Darkhast without consulting the Forest Department. From this office Registers it is seen that an extent of A-G 118-36¼ of land in S.Nos 202 & 55 of Yadahalli Village ~~S.Nos 202 and 55~~

A-G.
25-7 of land in S. No: 21 of Arahalli Village, 132 A - 24 G of land in S. No: 26 of Hulkalli Village and 163 A - 29 G of land in S. Nos 17 and 158 of Tangamgajjanahalli Village have been disposed off since 1943. Further that there is no Forest demarcation line to indicate the Forest area. The Grants have been made by the Revenue Department in the usual course.

As it would be rather very difficult to dispossess them of these lands that have been granted under permanent occupancy rights at this distance of time, it may kindly be considered if these lands cannot be disafforested. The Statement of Lands granted in this area have been enclosed herewith for your kind perusal information.

Yours faithfully,

Rao 7/3.

DR. 80/54-55 Ere wards. Copy of the above is submitted to the Deputy Commissioner Kolar District, Kolar for kind information with reference to his D.O. letter No: M2C 1891/54-55 dated 12.2.55. All these lands have been granted in Darkhast and only 16 A - 0 G of land in S. No: 155 of Yadahalli Village have been granted under G.M.F. rules during 1947-48. Harijans at Moorandahalli Village had encroached upon a few acres of land in S. No: 202 of Yadahalli Village and action has been taken on Takrar Taktas. Further it has also been recommended to disafforest S. No: 21 of Arahalli Village in this office report No: AKDR 2/54-55 dated 20.10.54.

In the circumstances the lands that have already been granted may kindly be got surrendered to the Revenue Department. Connected records are also enclosed.

The land applied for is reserved for forest and included in the Yarahalli village minor forest as per accounts of this office. The extent measures 239 - 35 of land. There are a good number of Applicants (47 Applicants) some of them are Residents of neighbouring villages. The Applicants are bonafide Agriculturists and it is indeed necessary to provide lands to these landless people. purposeless reservation is a harmful economy and affects agricultural interest. The Applicants are landless persons belonging to the D.C. Community. Sanction of Govt. may kindly be accorded for disafforestation of the above area of land for cultivation purposes. No. AKDA.2/54-55 73
Ref: Same File.
Ref:- Kolar Taluk Amildars memo no. AK DA.2/54-55 dated 8/11/54. Calling for a report on the points raised by the Sub-division officer, in their memo no. A.D.G.L. 3249/54-55 dated 31/10/54. Calling for a report after investigating as to whether the darkhastdars are divided or undivided members of the family etc.

Report

Submitted to the Amildar Kolar Taluk for favour of kind perusal. I investigated and found that all these 47 darkhastdars are divided families and for which the akawal takta is obtained and enclosed herein. Out of these 47 darkhastdars serial no. 1, 5, 22, and 23 are not the residents of their respective villages and they are absent. Serial no. 44 and 45 are not bonafide agriculturists as ascertained. Out of the rest, the marginally noted 12 darkhastdars have possessed lands and the extent possessed is noted against their names and the remaining darkhastdars are absolutely landless.
